📍 Nashik

SUMMARY

Motivated Electronics and Telecommunication Engineering student with a strong academic record and leadership experience. Skilled in anchoring, public speaking, and event management at large-scale college events. Actively engaged as a Google Student Campus Ambassador, conducting sessions on Gemini and emerging technologies, with hands-on project work, ongoing internship exposure, and strong communication and problem-solving skills.

EXPERIENCE

Leadership, Public Speaking & Event Management

K.K. Wagh Institute of Engineering Education and Research

📅 2024 - Present 📍 Nashik

Anchoring Head – SAE Committee, Department of Electronics & Telecommunication Engineering

- Anchored multiple college level and departmental events, demonstrating confident public speaking and stage presence.
- Served as the Anchoring Head of the Electronics & Telecommunication Department under the **SAEE Committee**.
- Anchored the major college event **MAFFIK**, effectively engaging the audience and maintaining smooth event flow.
- Coordinated with organizing teams, volunteers, and faculty to ensure seamless execution of events.

Google Student Campus Ambassador

Google

📅 2025 - Present 📍 Online

Google Student Campus Ambassador – Gemini Initiative

- Conducted multiple awareness and information sessions for students on Google Gemini and its applications.
- Explained AI concepts, features, and real-world use cases of Gemini in a student-friendly manner.
- Participated in and attended meetings with professionals and representatives regarding Gemini initiatives.
- Acted as a bridge between Google programs and the student community, encouraging learning and engagement.

Internship

HAL

📅 2025 - Present 📍 Ozar, Nashik

Gained exposure to aerospace and defense engineering systems in a professional industrial environment.

- Learned practical applications of Electronics and Telecommunication concepts used in aviation and defense.
- Observed real-world engineering workflows, quality standards, and teamwork in a large public-sector organization.
- Enhanced technical understanding, discipline, and professional communication skills.

EDUCATION

Electronics & Telecommunication Engineering

K.K. Wagh Institute of Engineering Education and Research

📅 2024 - 2028 📍 Nashik

SKILLS

C Programming

C++ Programming

Data Structures & Algorithms

Data Analytics

MATLAB

PCB Designing

Problem Solving

Time Management

Teamwork

Communication Skills

Process Modeling

STRENGTHS

Project Management & Leadership

Led a team-based engineering project on a **Solar Wireless Charger**, managing planning, task distribution, and execution. Guided the team through design and development stages, resulting in selection as **finalists in the First-Year Project Competition**.

Academic Excellence

Selected as an **Amazon Future Engineer (AFE)**, reflecting consistent academic performance, problem-solving ability, and potential in technology and engineering domains.

Organizational & Event Coordination

Experienced in planning timelines, coordinating with multiple stakeholders, and ensuring smooth execution of events as part of the **SAEE Committee** and major college programs.

KEY ACHIEVEMENTS

FY TOPPER

Secured **CGPA 9.09** with **Third Rank** in First Year, Electronics & Telecommunication Engineering.

ESSAY WRITING

Secured **Second Position** in Essay Writing Competition at the **MAFFIK** event.
